

Master of Education with a Business Concentration (MED-B)

*Minot State's
MED-B program
prepares you to
meet the needs
of a rapidly
changing global
environment.*

Offered on campus
and online

In-state tuition
for all students

Wide array of career
opportunities

Why earn your MED-B degree?

As a MED-B graduate student and a beginning or advanced secondary/post-secondary instructor, you will effectively enhance student learning and demonstrate the high level of knowledge, skills, abilities, and commitments reflected in the National Board of Professional Teaching (NBPT) standards for personal and professional excellence.

The MED-B curriculum blends pedagogy with current issues and trends in business education. Upon graduation from the MED-B, you will have acquired strong research skills, specifically in the application of action research.

Career opportunities

The number of available career paths for a MED-B graduate include, but are not limited to:

- Logistics team leader
- Career transition specialist
- Admissions counselor
- Business development executive
- College/university educator
- Business research specialist
- School administrator

Flexibility

Our MED-B can be earned on campus or online, making it possible for you to attend class regardless of where you live, work, or travel. You may also enter this program during any term.

Quality

Minot State faculty members are highly qualified in their respective fields.

Affordability

When you enroll in the MED-B program, you pay our affordable in-state tuition regardless of residency. Research assistantships may be available to you as a graduate student. Contact the program director for complete details. Financial aid is also available to qualifying students.
