Canadian Application for Form I-20 and Certification of Financial Responsibility

IMPORTANT:

The information on the following pages explains how to become eligible for F-1 student status in the United States.

The Form I-20 is a multi-purpose document issued by a U.S. government-approved educational institution certifying that a student has been admitted to a full-time study program and has demonstrated sufficient financial resources to stay in the United States. The Form I-20 allows an individual to apply for an F-1 student visa at a U.S. embassy or consulate abroad. You need a Form I-20 to obtain an F-1 student visa or status, or to keep lawful F-1 status when transferring or changing schools within the U.S.

Submit the requested documentation via post, fax, or email to:
