

Dear Parent,

The Minot State University Reading Clinic is accepting students who have been enrolled in Kindergarten or 1st grade during the 2022 - 2023 school year for our summer Early Literacy Camp. This program is intended for students experiencing difficulty in reading and provides an opportunity for your child to work in a small group (2-3 children per group) with someone to improve his or her skills and attitudes towards reading. We strongly believe that a child must enjoy reading so some of our time will be spent pursuing reading through the child's interests in a variety of topics.

- ❖ Reading sessions will be planned and conducted by students working for university credit so there will be no tuition charge.
- ❖ A \$15.00 fee, due at the time of acceptance, is requested so we can replace materials.
- ❖ Sessions with the children will take place on Tuesdays and Thursdays from 9-11 or 1-3 and Monday and Wednesdays from 9-11 or 1-3. You should register for only one session. Early Literacy Camp runs from and will last for 7 weeks (June 14 – July 21, 2022).
- ❖ Please do not register for the clinic if your child will need to miss more than 3 sessions.
- ❖ We will not know how many clinicians we will have until May 2023, so we cannot guarantee you a place until then. You will be contacted sometime after May 1st regarding whether or not we have been able to accept your child for the summer session.
- ❖ Decisions about acceptance are based on quick return of the application and documentation of a Fountas and Pinnel reading level between PreA and F (late Kindergarten to early 1st grade) or the equivalent depending on the assessments available at your school.

Please return the attached questionnaire as soon as possible via email or regular mail to:
