

Graduation Rates for SPED M.S.

Nearly all M.S. candidates are working professionals studying toward their degree part time. Most students complete within 2.5 years, with a maximum of seven years allowed for completion.

2019-2020

| # of Candidates enrolled in the program | # of Program Completers |
|---|-------------------------|
| 56 | 8 |

2020-2021

| # of Candidates enrolled in the program | # of Program Completers |
|---|-------------------------|
| 52 | 16 |

2021-2022

| # of Candidates enrolled in the program | # of Program Completers |
|---|-----------------------------|
| 45 | 14 (5 advanced, 9 initial)* |

*Our interim CAEP report process helped us identify difficulties with having advanced and initial candidates in the same degree program. Beginning in Fall 2023, all initial candidates will be enrolled in a new MAT program.
